

Simon Delakorda CV (2021)

Simon Delakorda (M.Sc.) is digital democracy and e-participation practitioner and researcher. He is an executive director at the Institute for Electronic Participation NGO in Ljubljana, Slovenia (www.inepa.si/english). Starting in year 2000, he participated in an early e-democracy projects within university and NGO sector. He is an author and co-author of articles and case studies and conference speaker on democracy, political participation, active citizenship, non-governmental organizations and governments on-line. He received B.Sc degree in political science on e-democracy in 2002 and M.Sc. degree on e-participation in 2009. He worked as an e-democracy course associate and researcher at the Faculty of Social Sciences at the University of Ljubljana, as co-founder and head of the Centre of Electronic Democracy at the Institute of Ecology and as e-democracy associate at the Arctur IT Company Ltd. During 2006-2007 he coordinated and managed the E-participacija web portal and facilitated the Citizen's Forum, first successful e-democracy project in Slovenia. In 2007 he founded the Institute for Electronic Participation. Since 2014 he is coordinator and head of advocacy an the National network of non-governmental organisations for an inclusive information society in Slovenia. His current projects and research focus combines digital democracy research & development, e-government and information society policy advocacy. His memberships include Europe's digital transformation cluster of Civil Society Convention on the future of Europe, Strategic working group on societal aspects of digitalization at the Slovenian digital coalition and the Slovenian Political Science Association. He received awards and experts recognitions as an e-democracy student, expert and facilitator. He is a lecturer and moderator at international professional events, projects evaluator and has 15 years of experience with European projects from the EU's 7th Framework Program, the Norwegian Financial Mechanism for Regional Cooperation and the Europe for Citizens and Erasmus + programs.
